INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment Commissioner for Patents P.O. Box 1450 Alexandria VA 22313-1450

Sir:

Earlier today, the undersigned attorney filed an Electronic Information Disclosure Statement in connection with the above application. Since the attorney has recently experienced problems in several applications in which an Electronic Information Disclosure Statement has been filed (in that none or less than all parts of the Electronic Information Disclosure Statement have reached the file), a paper copy of the Electronic Information Disclosure Statement, including the Acknowledgement Receipt showing it to have been received by the Office, is enclosed, and the Examiner is respectfully requested to check that the Electronic Information Disclosure Statement reaches the electronic file wrapper.

Albert, et al. Serial No. 10/711,238 INFORMATION DISCLOSURE STATEMENT of March 28, 2005 Page 2

The applicant is now filing this paper Information Disclosure Statement to make of record foreign patents and applications and non-patent references. In accordance with MPEP 609-III A(2), only copies of references B1, C1, C2, C5, C7 and C8 are being supplied herewith, since the remaining references are readily available to the examiner in the file for the application serial number 09/141,126 (US Patent Number 6,825,829).

All of the references filed herewith are in the English language so that, pursuant to 37 CFR 1.98(a)(3), no statement of the relevance of each reference is required.

Respectfully submitted
